

SANILAC ISD
School Breakfast Program
2017 – 2018

Business people know decisions need to be made based on investment and return. The School Breakfast Program is a sound investment in children that helps guarantee a solid return for the community. Children who eat a healthy breakfast are more alert and achieve better academically. When children are successful in school, they help grow the economy and build a stronger community. Eating breakfast at school is an efficient, simple way for children to have a healthy start to their day. At less than the cost of most junk foods, the return on investment makes good sense. Sanilac Intermediate School District offers a school breakfast program for center-based students who are located at the Sanilac ISD. The price for breakfast is \$1.60. Breakfast is served at the Sanilac Career Center at 175 E Aitken Rd, Peck, MI at 8:15 am.

If you feel your family may be eligible for free or reduced school meals (breakfast and lunch), please contact Mary Fraley, Sanilac ISD School Meals Coordinator at 810-648-4700 x 4266 to receive a Free and Reduced Price School Meals Family Application.
